This is Rosalind Olivier Lewis. An English woman,
It seems that 5 years « he » married her when he was studying in England.
married? What an idiot!!
..that's what he wrote in his letter
in that case, it means that..
he gave the rose to that Rosalind?!

JAMSHID!
JAMSHID! YOU'RE BACK!

So you are not dead!
Such a horrible lie!! I was sad.
and so much in pain...
are you Mrs Rosalind Barami?
Jamshid Barami's wife
Mrs Barami

He's not Jamshid!!
Jamshid is dead
that's the truth.
You...
You are...?!
I'm Najib Al Makthm.
Jamshid's cousin
His cousin...?!

Mrs Barami, take a seat, please.
Of course, if Jamshid was still alive, he would have contacted me.
what did I do?
haa...
ha.
I can't believe it.
I don't want to believe it.
I only received a letter after his death...
so I couldn't believe it.
If you really his cousin...he should be your grand-father too
A letter written by Jamshid's grandfather
a letter?

Mrs Barami, take a seat, please.
Of course, if Jamshid was still alive, he would have contacted me.
what did I do?
haa...
ha.
I can't believe it.
I don't want to believe it.
I only received a letter after his death...
so I couldn't believe it.
If you really his cousin...he should be your grand-father too
A letter written by Jamshid's grandfather
a letter?

I have no idea
why did he send you a letter?
my grandfather sent you a letter?
He knew about you?!
He has the same black hair and black eyes.
His cousin.
But he doesn't have the same face.
How could I mistake him for Jamshid?

They're different
He's taller and seems stronger
And even if Jamshid was still alive now...
He wouldn't have been as 'manly' as his cousin is
He's not slender like Jamshid was 5 years ago

Jamshid married her while he could have chosen another way
What a beautiful woman. She seems so fragile It makes you want to protect her
That atmosphere is not only coming from her
It's also coming from that place
Even if it's an old apartment
It's the way things are placed
So...what do you want from me?!
He's no longer here... It's already been 5 years since he died...

I just got Jamshid's will
what?
But it's been already 5 years.
I just found out about you yesterday
What did he write?
his will?
He talked about his marriage with someone called Nommée Rosalind Olivier Lewis
and that he wanted to bring her back when the country was in peace again
that's why, as he wished, I came to meet you
Jamshid wrote this letter 5 years ago before going to war
Aah Jamshid..!!

5 years ago
I also had a part-time job at Palbani's embassy
I got a scholarship to go to university since I was an orphan.
They were Prince Kablan and Jamshid
I met the sultan's sons there. They came to England to study
Let me help you! A girl shouldn't do it all by herself.
All the girls were talking about Prince Kablan.
But I knew that he was just a "cold beauty"
He was so nice and had a smile just like charming prince.
For me, Jamshid was more like a prince.
And that we couldn't get close to him

I want to stay by your side forever
But I never dreamed about him asking me to marry him
I want to marry you.
And then we got our own apartment
Just few friends came to our wedding ceremony
And I got pregnant
It'll be just the three of us, together.
my mother will probably be happy for us!
when the baby is born, we will and visit my mother
Our life was just like a dfairytail.
But...
Jamshid left me to go to Palban and never come back.

His native country, Palban was attacked by a powerful country.
Rosalind, as a prince, I have to go back to defend my country
Jamshid—
I'll send a letter to my grandfather
he's the king of the neighboring country. And my mother is there too
you have to give birth to this child in peace
I know that it will be hard to stay by yourself but you have to take care of yourself until my grandfather comes for you
DO YOU UNDERSTAND, ROSALIND?
TAKE CARE OF YOURSELF!
YOU TOO! JAMSHID!
BECAREFUL
I BEG YOU!

No one mentioned Jamshid
I was so worried but I had to be courageous
I watched the news everyday
But after that day...
I never heard from him again
I'm sure I didn't make any mistakes
Since Jamshid taught me Palban language
I finally sent a letter to Jamshid's grandfather
« I'm his wife and I'm pregnant with his child »
« Please, give me some news about Jamshid »

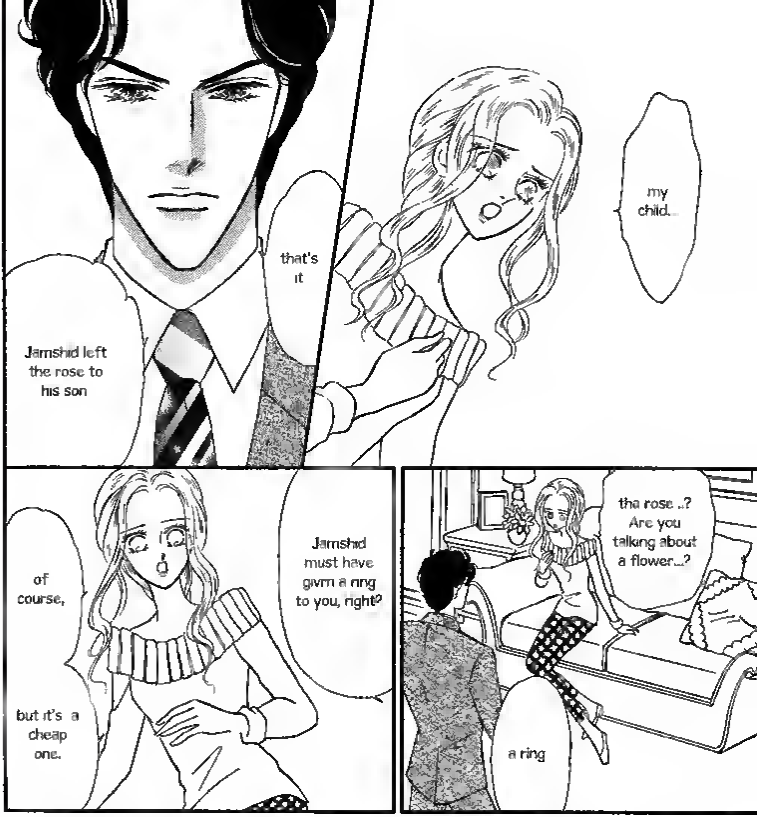
« I can't believe that he took a wife in another country!! »
« I don't recognize you as his wife. You're just a prostitute »
« My grandson is dead so don't dare to destroy his reputation or I won't never forgive you »
« Do not disturb our family ! »
You sent a letter to our grandfather?
...yes...

And the pain...
Never disapeared.
I remember exactly what he wrote,
even if it's been already 5 years.
to learn of Jamshid's death was so painful...
It can't be...?!
Jamshid is... jamshid is dead!!
Even if he died as a hero...
I couldn't believe it.
It's a lie!
It's a lie!
everything went black...
BUT MORE IMPORTANT HE KNEW THAT...
MY GRANDFATHER WROTE YOU A LETTER AND DIDN'T TELL US ABOUT IT!
DAMN!!

Is what you are looking for is related to Jamshid's will?
why did you came here, after 5 years has already passed?
why ?
« More important »?...
and then we found his will
after all this years, we finally have access to his safe.
and the lawyer who had Jamshid's WILL is dead too.
Palban was destroyed
Just 3 men and a lots of women.
how many cousin are there?
Jamshid's cousin and I.
we?

how strange...
Jamshid never mentioned how big his family was,
I just heard about his mother and his grandfather...
that's because we're not living at Palban but at Barati
Since his mother is from Palban, he's the only one who was raised there.
and that's why he had to go to the war over there
aaah...
and died
Mrs Barami, I'll tell you why I came here

what...?!
I came here to give you what Jamshid left to you
Jamshid left apartments in Paris and New-York,
and a villa at Baratt.
but also money and some stuff
It can't be. ?!
how Jamshid could have been that rich?
Despite the fact that he was prince, he was still a student...
And there's more wealth at Pablam but he lost everything after war
so you shouldn't ask for it
I also brought some papers about investments
and one more thing
you should also give the rose to your child...



Jamshid left the rose to his son
that's it
my child...
Jamshid must have given a ring to you, right?
of course,
but it's a cheap one.
tha rose ..? Are you talking about a flower...?
a ring
I'm not talking about that insignificant thing!
you're wrong!
let me show you.
but it doesn't have a rose design

the diamond of that ring was sculpted just like a rose
unsignificant ... ?
it's big and there are no diamonds like that one in the entire world
Jamshid got it from our grandfather,
and then he gave it to you, right?
No I don't have it
think about it!
Jamshid probably left it as a gift for his child!
I can't believe you don't know about.
But he should have left that to you
No...
didn't you hear me ?
I don't have it

leave me alone!
those apartements, ville etc. I don't want any of them!
I don't want that inheritance!
Mrs Barami!
It should be somewhere, here
I never saw that ring.
I don't know about it!
You thought that coming here and telling me about those fairytales would make me happy?
do you at least know what that inheritance means?
You can live peacefuly for the rest of your life!
stop being silly!
So you don't want what the father of your child left for you and him?!
fairy-tales?!

there's no child.
I had a miscar-riage
the day I re-ceived your grand-father's letter...
